> LOUISVILLE FOR PRESIDENT, Millard Fillmore,

to terms of yearly advertisi

FOR VICE PRESIDENT Andrew Jackson Doncison, OF TEANENER STATE ELECTORAL TICKET. FOR THE STATE AT LARGE,

ROGER W. HANSON

JOHN W. CROCKETT

TUESDAY, AUGUST 12, 1 56. The Daily Journal has much the largest circulation in the city and double the circulation in the country of any other daily paper printed in Louisville;

and the Weekly Journal has much more

than double the circulation of all the other weekly papers in Louisville put seeking to alarm the South by representing the mph in November. With ut these we m probability of the election of F emont in the be defeated. House of Representatives. They tacitly ec- The intir band of American Rep knowledge that the strength of Mr. Fillm re at the North will prevent the election of the a more ha dfil compared to the hosts of our ow they fall back upon the Horse of Representatives, and endeavor, by assuming very broad every direction. The men of the American act illy opposed to the compromise measur believe there is a probabil 'y, that, it the vir a ce comm 'tees i every listric', and an Congress, Fremont would be chosen This is We will devote all our energy s to the wo

the South, like the bug-a-boo stories with which the best American camps gn document that c Our readers will notice the number of if extent gour circulation so as to reach the pe required to bring about the disastrous result plc everywhere and week after week to lay h should go into the House " There ie no danger nort comings of our opponents and good and that the election will go into the House if the | flicie t reasons why they should support the South will but be true to its own interest and American cardidates. rote as a unit for Mi ard Fil more, who alone The campa gn has begun in earne. t, and aga can defeat the election of Fremont in the we say to con friend, be of good cheer, the electoral colleges. Second, "if they (the Re-kies are everywhere brief feeing, but without publicans) carry a district in Illinois now in or anization we can do nothing. Now is the contest." This involves two ifs, for there are two for action—and if the friends of Fillmore two vacancies to be filled in Illinois, and, unless and Doneison intend to win success they must the whole Democratic party have been willfulorganize without delay. Iv and shamelesely asserting what they know to be faise, there is no danger that the Repub .cans will carry either of them. Third, "if the Republicans get one more vote in lowa." Now pub cation as igning his reasons for his strange here is no vacancy in Iowa, nor is there like y to be one. An attempt has been made to our Mr. Hall of Iowa from his seat in Congrese, b it is not probable 'hat it will be successful. But again, of Mr. Hall should be ousted, the Demojust stultify themselves by admitting that Buchanan guilty of having countinanced the the Democrats have alwaye claimed Hall's dis- Clay, he should denounce him for it as readily trict as absolutely certain for them, and if a zid as severely as ally one. Now we say a Republican can now be elected in that will prove that Mr. B chanan did countenar district it is an undeniable evidence that the hat charge ag inst Mr. Clay. We will pro-Democratic party in the North is com- tso clearly and so underliably that Mr. Pearce pletely abolitionized and utterly powerless o keep his faith, mu t denounce and repudic to carry even a single Congressional dis-be candidate for whom he has just avowed trict. Again, if the Republicane should get timeelf. Let Mr. P. read this extract from a trict. Again, if the Republicane should get two more votes in Ca fornia. There are no vacancies in the delegation from California, written by Mr. Bucha an under date of Octo is not likely to be any vacancy, and we have and then do he, if he can, that Mr. Bucharat any fear that both Mr. Denver and P. T. Herry Clay:

bert would support Fremont. Here is a list of irs as long as the mora law; all of which must come to pass to enab out to be elected by the House. Should thin air. It is u necessary to go into ary deelection in the House is by States, each State having one vote No ma, can be elected President by the House will ont the vote of stateen States; and there are eixteen State neither of which will give its vole to Fre-Delaware, Maryland, Virginia, North Caro ina. South Carolina, Florida, Alabama, Georgia Louisiaua, Mississippi. Tennessee, Kentucky, Miscouri, Arkaneas, California, and Texas. Fremont could not be elected, if he were to go the votes of all the rest of the States, inclu ing I linou and Iowa, which are certainly n for him now nor likely to be for a between

upendous fra d.

ubject of slavery, they have 'charged Abol

rism on h.m from the word go." They ar

After all their false clamor and vain-plorid there ie not the shadow of a chance for Buchanan's election by the peopl and are beg ning to calculate his chancee in the House of gan to make their calculations at the eams por ded, and the rapidi v w th which Mr. Fulmore Union has ind ced his frie ds to discard a . Ar. Clay testifies, was carneofly entreating him ideas of throwing the election into the House of for mercy; and it is not strange if the fright-Representatives and to look with entire confidence for his triumphant election by the peo- stanced, was especially careful to set a guard ple. The result is evident to every man wh has camly o served the course of events. Buchanan was stro ger on the day of his nomiration than he has ever been since; and he has plain that he will be the third in the race. Fillsince his nomination, and from the mome to his return from Europe until the present the increase of his popularity in both the North and the South has been unprecede 'ed. There is now no question that in the Freesoil States the contest is between Fillmore a d Fremon and if the South will stand firmly by Filimon his election by the people is secure.

If the country to ever saved, it will be by its f - r-h resists takets from the treas - fanat om, and f y of the

This is from a speech delivered by J. M. Griffith, a native Sag-Nicht, at an Iri h celebration of the 22d of February a D b q e. breathes the spirit of thousands of specch out the country. The foreigners are continuali that, if the Republic Is saved, its calvation we utterly incapable of taking care of or preserving the most start out point, call calamity ever fr

independence for us by fighting against f regularity, we the reons cannot man tain the in 'itu' ons they have e tabi'shed but mu t deren upon the descerdants of the a Lordes to c m over and do it for s, we are a ready base slave slaves in body-our hmbe are none to good f chains and fetters. But i :- a ba e l bet to sa that our country cannot be saved unle a fore ere bear sway upon American soil; and the wretches who utter it descrive to be hewers of wood and drawers of water trembling under th whips of Irish and Dulch taskmasters as lo

We have observed the course of the present editor of the Bowling Green Standard wasome little interest, for we were assured by certain of his e pecial friends and patrons the he would certainly treat us fairly. The r mark quoted above must considerably as on those who gave us thre assurance. The a tion that we at one time advocated the electronic We a e grad that the Mr. S. H Buller of George Law is as destitute of even th shadow of a shade of a ghost of the truth who is o e of the plaintiff, in the suit against as the poorest fabrication that Necessity, the commissioners of the People's Bank of

be's mother, could ever invent. We do not want to quarrel with the young cashier of the Bank of Ke tucky. The name gentleman who edils the Standard, and we of the plaintiff being the same as hie, and it ap abould be glad if he would abstain from stan-dering us. His declaration in the last number the cashier was naturally supposed to be the of his paper that the course we have pursued mar; but we are as ured that Mr. B. the cachie in the Presidential cauvess has been induced has expressed kindly wishes in behalf of the by a slice of Fremont's California gold must Pac, le's Bank. appear monstrously absurd to those who know what our course is.

THE TABLES TURNED .- The Cynthiana News We don't think there are many Democrati gives a list of eleven persona in Harrison county who have deserted the black flag of Buchana and come over the Fillmore sandard.

ORGANIZE! ORGANIZE!-It is time that of An Important Expose .- The American na- To the Editors of the Louise ... Journal: nds were everywhere at work. The confriends were everywhere at work. The contest is at hand. We go into the battle against a double for who are adding each other. The Backanan men and the Fremont party are on knows that the Democratic party has al-President Fillmore and his whole cabinet went drougly for those measures and secured their Perry, effected the a d Donelson and the Union. Our suecces deea for their own party the whole credit; and m of the masses of the American part;. Wc we cleaders backnied to the tricks of an ction eering campaine, no wire-pullers and at, I at for the success of those measures, the | has managers used to drill the rank a d file of thel party into bli: I obed enee to their will. Charsis of the Democratic party have all treated opparty of the people lighting agai ist the misru pposition. a Ge.man, who call d himself John Albert, p rchased a bil of dry goods of one of the Fifth and Sixth. The goods were nacked un and, as Albert was a stranger, and d d not fi d it convenient to pay for them until the following morning, engages ed at first to leave them. A. Arnoux, the well-known tailors in deration thought that they might York These gentlemen offer superior in be se t to the place where he stopped, which was on the corner of Chestnut and Hancock streets, at a stocery kest by a German named the following morning. This request was acof these vo .ng men. Beat g energetic, pu ceded to by the clerk who sold him the goods, men and knowing the wants an and Albert ordered the drayman to go up Green street to take some other goods which he had satisfaction to all who may look in upon jurchased there. The clerk went to the house when in that city. where the goods were sent, and found Albert the plore according to promise, but did not find las sale of dry goods this morning, Tuesd it conver ent then to settle his bill, and asked at 10 c'clock, at auction-rooms, and an extersion of time till the next day, which and lovelock, six casks and boxes of pate was gran ed. Friday came and passed, and so gave and window hinges and hill partie did Saturday, but Aibert did not come. O damaged by water. Sale per account of under making a quiry for him at Haefer's it was a - writers. certained that he had left on Thursday evening on the Nashville railroad, with all the goods A messenger was dispatched for him, who, o arrive g at Shepherd ville, heard that he had o d the goods at much under their value, an had left. He is described as a man about 24 years of age, and he was dressed in a velvet

prepared for the fell tace. The supply of dry and fancy goods, reary made clothing, boots and shoes, har ware, bats and caps, and other taple articles, are large and very select. boots and shoes, har ware, bats and caps, and other staple articles, are large and very select. The merchanta of the West and Southwest will find the stocks complete and suited especially for their respective sections, and our dealers are determined to furnish them on as reasonable terms as they can be purchased in the Eastern cities. The wholesale houses here import themselves, or they purchased direct from the importer or manufacturer. Purchases of this kind can orly be made in large nackages. this kind can only be made in large packages - To the Edutors of the Louisville Journa too large for the retailer, who is necessarily compelled to buy from a wholesale house in The retailer, if he buy at the East, has to of your neighbor, Wm. C. Williams, E. from a wholesale house here.

mour the same traveling expenses for goods incurs for as many hundred thon and. Ars other dwadvantage to the Western dealer in lyig East is the time saved not only in traveing, but in making proper selectione. Here assiady selected for his use. And if we take the difference in transportation H.s. goods were transported the greatest part in good condition, and freight low. Now it has to be done by rallroad at an increased expense of fully 100 per cent, and subject to great delays. If the Western merchant will ake the views we have taken, and we know hem to be correc', he will most assuredly giv
